Program Schedule and Dates: 10-Month Program

Students attend four regular weekly classes. The first class of each day is the Lecture or academic class, and the second class of each day is the Laboratory or practical class. Scheduling is:

- All-day sections: 1 morning class (9:00 am to 1:00 pm) and 1 afternoon class (2:00 to 6:00 pm)

Morning and afternoon classes meet either Monday/Wednesday or Tuesday/Thursday, depending on the start date chosen. Remember, weekend classes, fieldwork and student clinic hours are additional and are scheduled in consultation with the student at the end of the previous segment.

The internal starting and ending dates of each segment are subject to change as needed to accommodate cancellations due to weather, illness, emergencies and/or holiday variations. Students will be advised of the upcoming calendar for subsequent segments before the current segment ends.

Weather Policy

In the event of inclement weather, please check our website home page at www.pmti.org. PMTI makes independent decisions about closing for weather-related conditions — our priority is the safety of our students and staff. All missed classroom hours will be rescheduled by the Director of Education, considering the instructor and student schedules.

Program Schedule and Dates: 20-Month Program

Students attend two regular weekly classes. The first class of the week is the Lecture or academic class, and the second class of the week is the Laboratory or practical class. Scheduling options are:

- All-day section: 1 morning class (9:00 am to 1:00 pm) and 1 afternoon class (2:00 to 6:00 pm)
- Evening section: 1 evening class twice weekly (6:00 to 10:00 pm)

Class days vary by segment and space availability. All-Day classes my be scheduled for Mondays or Tuesdays. Evening classes may be scheduled Monday and Thursday evening or Tuesday and Thursday evenings.

Remember – weekend classes, fieldwork and student clinic hours are additional and are scheduled in consultation with the student at the end of the previous segment. The Director of Admissions will work with incoming candidates to place them in the section that best meets their individual needs.

The internal starting and ending dates of each segment are subject to change as needed to accommodate cancellations due to weather, illness, emergencies and/or holiday variations. Students will be advised of the upcoming calendar for subsequent segments before the current segment ends.
