Program Schedule and Dates: 18-Month Program

Students attend two regular weekly classes. The first class of the week is the Lecture or academic class, and the second class of the week is the Laboratory or practical class. Scheduling options are:

- Morning section: 1 morning class twice weekly (9:30 am to 1:00 pm)
- All-day sections: 1 morning class (9:30 am to 1 pm) and 1 afternoon class (2:00 to 5:30 pm)
- Evening section: 1 evening class twice weekly (6:30 to 10:00 pm)

Class days vary by segment and space availability. During Segment 1 (weeks 1-20), morning and evening sections meet on Tuesday and Thursday; all-day sections meet on Tuesday. During Segments 2 & 3 (weeks 21-60), morning and evening sections meet on Monday and Thursday; all-day sections meet on Monday. Remember, weekend classes, fieldwork and student clinic hours are additional and are scheduled in consultation with the student at the end of the previous segment. The Director of Admissions will work with incoming candidates to place them in the section that best meets their individual needs.

The internal starting and ending dates of each segment are subject to change as needed to accommodate cancellations due to weather, illness, emergencies and/or holiday variations. Students will be advised of the upcoming calendar for subsequent segments before the current segment ends.
